

10/12/17

Hornet families!!

Thank you for your continuous support of Hapeville Charter Schools. As you may or may not know, HCMS and HCCA are start up charters within Fulton County School District, which are contracted, or chartered to service students. Through our charter, HCMS has had several years of success with growing and moving students with great academic growth. We are currently in year 8 of our 10 year charter with Fulton County Schools and the state of Georgia. For the next two years, our board and community will be working to develop a letter of intent and a renewal for our schools after this charter term is up, June 2019. In doing so, the charter commission reviews student test scores, and asks that the school increase the level of achievement of students.

Therefore, please come to our curriculum night on **Thursday, October 19th, 2017 at 5:30pm - 7 pm at the Hapeville location**, and our admin team and teacher leaders will host a session for our community to discuss the renewal and answer any questions regarding the letter sent home last week. We will also have information available about the curriculum used in our classes to better prepare students for his/her standardized tests in the fall and assignments within the classroom. As well as resources and tools students and parents can use at home to extend learning at home.

Thanks for being apart of the Hapeville TEAM!!! Together we all achieve more.
