

3/16/20

Parents,

To ensure your students have “at home” learning opportunities during this time of school closures, Renaissance and Get Georgia Reading are partnering to provide readers free, anytime/anywhere access to digital books and news with myON.

Unlimited, 24/7 access makes it easy for students to continue reading and learning at home. Students can read online using any Internet-enabled device, or read offline with free mobile apps.

The myON library includes more than 6,400 enhanced digital books, with titles for a wide range of reading levels and in diverse genres, including fiction, nonfiction, and graphic novels. myON News provides five age-appropriate articles, Monday through Friday, on US and world events, arts and entertainment, sports, science, and technology. Learn how to get your students started reading from home today.

Unlimited, free reading on myON will be provided until school closures end and students are able to return to the classroom. Please join us in encouraging students to read and continue learning at home during this time.

I've included the attachment that guides you the process to sign up.
HAPPY READING!!
