Good Day Parents and Families,

I hope this message finds you safe and well. See this week’s updates below.

Covid-19 Assignment Chart

Teachers have embedded ALL assignments that students are responsible for completing during the school closure period. Teachers have also embedded opportunities for extra credit for students who may need them. All assignments must be completed and submitted by Friday, May 15th.

Updated Grading Guidelines

Fulton County Schools has issued grading guidelines that will be used in every middle school course during the remote learning period. It is imperative that students complete the assigned tasks and lessons. Students who received academic warning letters could still be in jeopardy of being retained if he/she does not complete the digital learning assignments. Parents are asked to track I’s in Infinite Campus to ensure students are on track to be promoted. Check the attached HCMS Virtual Grading Flowchart document for additional clarification. Students who receive an “I” or “F” for the year will be required to attend summer school. Summer school will be held virtually June 3rd – 15th.
