Good Day Parents and Families,

I hope this message finds you safe and well. See this week's updates below.

### Teacher Appreciation Week

Next week is Teacher Appreciation Week. HCMS teachers have been working tirelessly to support students during the school closure. Please show our teachers some love this week!

### Covid-19 Assignment Chart

The last day of online classes is Friday, May 8<sup>th</sup>; however, students can still submit completed assignments. Teachers have embedded ALL assignments that students are responsible for completing during the school closure period. Teachers have also embedded opportunities for extra credit for students who may need them. All assignments must be completed and submitted by Friday, May 15<sup>th</sup>. The Covid-19 Assignment Chart is attached. If there is a student who cannot access technology-based assignments, he/she can pick up a printed packet from the security gate at the 8<sup>th</sup> Grade Academy. Students are asked to take a picture of the completed packets and email them to content area teachers by May 15<sup>th</sup>.

### Updated Grading Guidelines

Fulton County Schools has issued grading guidelines that will be used in every middle school course during the remote learning period. It is imperative that students complete the assigned tasks and lessons. Parents are asked to track I's in Infinite Campus to ensure students are on track to be promoted. Check the attached HCMS Virtual Grading Flowchart document for additional clarification. Students who receive an "I" or "F" for the year will be required to attend summer school or be retained. Summer school will be held virtually in June. Check out the tentative summer school plans attached.
