Good Day Parents and Families,

I would like to take the opportunity to thank you so much for your support this school year. It has been an interesting end to our year, but we made it. This is the last correspondence I will send this year. See the final updates below.

Covid-19 Assignment Chart

All assignments must be completed and submitted by tomorrow Friday, May 15th. The Covid-19 Assignment Chart is attached. As a reminder, students who fail to complete 70% of the Covid-19 Assignments will be required to attend summer school to clear the incomplete status. Summer School Session II will be from June 3rd – June 26th and it is specifically for students with incompletes. Members of the staff will contact students who are at an “Incomplete” status after grades have posted, May 22nd.

Summer School

There will be two options for Summer School. Summer School Session I is for students who have earned a failing grade in any content area course. This session will be held June 3rd – July 15th. Summer School Session II is for students who have earned an Incomplete status in any content area for failing to complete Covid-19 assignments. Members of the staff will contact the parents of students eligible for both sessions regarding enrollment and registration. Parents are encouraged to check the gradebook to assess students’ academic progress.

Students’ Pickup of Materials from School

Students will be allowed to visit the school Monday, May 18th – Friday, May 22nd from 9:00am – 3:00pm. Return of Loaner Devices

Students who received loaner devices should return the device on the day they are scheduled to pick up their belongings from the school. Fees will be attached to each student who fails to return a device.

I hope to see your smiling faces next week when students pick up their belongings. But, if not, I will see and speak to you next school year. Enjoy your summer and take care!
