Good afternoon parents,

Around 1:07 PM today, the Eighth Grade Academy was evacuated due to students and staff detecting a gas odor. Station 3 of the Union City Fire Department responded and thoroughly checked the building and did not detect anything. The students were escorted back into the building and transitioned to their fourth period classes to continue an excellent day of learning. A representative for Atlanta Gas Light checked the building as well and no gas was detected.

Sincerely,

Mrs. Jerilyn Robinson
