October 24, 2019

Good Day HCMS Parents,

The Georgia Department of Education released the 2019 College and Career Ready Performance Index (CCRPI) scores today. Statewide, the scores show an increase at the high school level and decreases in elementary and middle school.

CCRPI Overall Scores – 2019 vs. 2018

State	2019	2018
Elementary Schools	77.1	77.8
Middle Schools	72.1	76.2
High Schools	77.0	75.3
All Schools	75.9	76.6

CCRPI scores are based on five separate components – Content Mastery, Progress, Closing Gaps, Readiness and, for high schools, Graduation Rate. While the state averages for Content Mastery, Readiness, and Graduation Rate increased for elementary, middle, and high school, there were slight decreases in Progress scores, and larger decreases in the Closing Gaps component – which requires schools to meet elevated achievement targets for all subgroups.

I am pleased to announce that the HCMS CCRPI score is higher than the average score for all middle schools in Georgia and the combined average score for all schools in the state. We increased our CCRPI score by 18.9 points for the 2018-2019 school year and have earned a whopping **79.7** for 2019. Yes, that's right, we were .3 points away from being a B school and we outperformed almost every school in the South Fulton area!! Because of this, we will host a **CCRPI Celebration for all students Thursday, October 31st from 1:30pm - 3:00pm**. Please see the CCRPI Celebration flyer attached!!! Congratulations to our students, teachers, and parents for their hard work during the 2018-2019 school year.

Just in case you didn't know...We are HCMS, where we are Teaching and Learning at the Next Level!!!! **#NEXT LEVEL**

Thanks,

Dr. Greer

We are HCMS...where we are Teaching and Learning at the Next Level!
