

What is a School-Family Compact?

The purpose of this compact is to outline how the parents, entire school staff and students of Hapeville Charter Middle School will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help our students achieve the State's high standards.

Jointly Developed

- *Parents, students and staff developed this compact through input collected at Title I meetings, school-wide surveys, student questionnaires, and discussion sessions.*
- *The school-family compact is updated every year to include parents, students and school input. Parent and teacher feedback are welcome.*

Activities to Build Partnerships

Programs for parent and student access:

- Curriculum Night
- Power My Learning Program
- After-school Tutorial Sessions
- Title I Parent and Family Workshops such as Literacy Training and Technology
- Classroom observation/volunteering

Communication about Student Learning

- *Report Cards/Progress Reports*

Our Goals for Student Achievement

District goals

Ensure that all FCS students graduate prepared to pursue their chosen paths -- whether college, career or military -- and to succeed on those paths after high school by focusing on 4 top priorities over the next 5 years:

Student Achievement - Prepare students with strong academic foundations and the skills needed to navigate life beyond graduation

People and Culture - Provide a welcoming environment and positive school and district culture for students, families and employees

Community Collaboration - Engage families, community members and civic organizations as active partners

Fiscal Responsibility - Manage and protect public funds and assets through efficient and effective use of available resources.

For measurable outcomes and to review the Strategic Plan 2022

2021-2022 School-wide Goals By May 2022

Math

Improve student performance on the 7th grade math Georgia Milestones by increasing the percentage of students scoring developing level and above from 68.9% to 72%.

ELA

To improve student performance on the 6th grade ELA Georgia Milestones by increasing the percentage of students scoring developing level and above from 73% to 75%.

Focus Areas 6th – 8th

6th - 8th - (ELA) Using Informational Text

7th - Math Number Sense and Algebraic Thinking

Teachers, Parents, and Students—Together for Success

Teacher/School Responsibilities:

- ❖ *Present parents with resources from the Parent Resource Center and helpful websites: Khan Academy, IXL, AAA Math, Google Classroom, and Readworks to help them provide instruction and intervention at home in mathematics, reading and writing.*
- ✓ *Offer parent workshops and webinars focused on mathematics, such as multiplication and division activities reading, writing, and technology throughout the year.*
- *Provide parents with their Infinite Campus logon and instructions on how to monitor their child's progress.*

Family Responsibilities

- ❖ *Visit the Parent Resource Center and check out materials focusing on mathematics, reading, and writing and helpful websites: Khan Academy, IXL, AAA Math, Google Classroom, and Readworks to assist students at home.*
- ✓ *Attend parent workshops to learn about skills in mathematics, specifically multiplication and division, reading, and writing that can be enforced at home.*
 - *Check Infinite Campus for grades and assignments.*

Student Responsibilities

- *Encourage parents to visit Parent Resource Center and check out materials focusing on mathematics, reading, and writing to better assist at home. Access additional math and reading resources at home helpful websites.*
 - *Khan Academy, IXL, AAA Math, Google Classroom, Readworks.*
- *Spend at least 20 minutes each day practicing multiplication and division and spend at least 20 minutes each day reading for pleasure.*
- *Complete all homework, ask for help from teachers when needed, and monitor one's progress using Infinite Campus.*
