August 2, 2021

Greetings Parents and Families,

As we get draw closer to Day 1, I will provide ongoing updates to prepare our students and families for the return to in-person learning. See the most recent updates below.

## **FCS Health Letter**

In collaboration with each school, FCS Health Services works to ensure students stay healthy, safe and are ready to learn. Registered School Nurses and Clinic Assistants work together as a team to manage health services at each school and serve as the key resource for all health-related matters. The attached FCS Health Letter will explain some of our health services policies, procedures, and guidelines.

## **Back to School Orientation (UPDATE)**

We will conduct two back to school orientations!! The face-to-face Back-to-School Orientation will be held at the Main Campus and the 8<sup>th</sup> Grade Academy Thursday, August 5<sup>th</sup> from 3:00pm – 6:00pm. Given the large number of people who may attend the orientation, it is for **drop-in only** and should take 20 minutes or less for each family. During the orientation, parents and students will have an opportunity to meet classroom teachers, sign up for transportation, and pick up school supplies. There will not be a whole group session. We will also host a virtual back to school orientation for parents and students who are not yet ready to be around a large volume of people. The virtual back to school orientation will take place by grade levels ***Friday, August 6<sup>th</sup> at 2:00pm***. Parents can access the grade level sessions using the Zoom links below. The information shared during the session will be the same information shared in the face-to-face orientation so there is no need to attend both sessions.
