HCS Meal Program

Hapeville Charter Schools is participating in the USDA Seamless Meal Program for the 2021-2022 school year. This means that **all Hapeville Charter students receive breakfast and lunch meals at no charge**. All school meals follow the U.S. Department of Agriculture (USDA) guidelines for health school meals. Studies have shown that children who eat breakfast and lunch perform better in school. By providing breakfast and lunch to all students at no charge, we are hoping

We are HCMS... *where we L.E.A.D. in learning, evolving, adapting, and developing.*
Growth is a necessity, potential is everlasting, and possibilities are endless!

to create a better learning environment for our students. The Hapeville Charter school breakfast and lunch programs cannot succeed without your support, so please encourage your student to participate by eating breakfast and lunch. See additional notes in the attached HCMS Meal Program flyer.

One to One Technology

All students have received a loaner technology device for the 2021-2021 school year. Students are asked to bring their devices to school daily and keep them until they are collected at the end of the school year. Each student and parent are required to complete the Temporary Loaner Device Agreement form using the link below. If you have not signed the agreement, please do so ASAP so your student can keep the device that has been issued to him or her. There is no initial fee for the technology device; however, a fee may be assessed if the device is returned inoperable or is lost. If there is any student who currently has a Hapeville Charter Schools or Fulton County Schools device, a new device will not be issued until the old one is returned.
