Hello HCMS parents!!!

Thank you for a wonderful week!! Your patience and participation in helping students to become acclimated to our school has been a great sight to see!! As we enter into week 2 of the school year, here are a few updates.

Bus riders will need to be dropped off at the side of the High School building, and parents park in the adjacent lot as not to block the buses when they arrive and leave. At no time are parents allowed to board or block the buses as to ensure student safety. Please also remember to pick up students in a timely manner from each stop in the evening. Thank you for your cooperation.

Uniforms are mandated by our governance board, and all students should be in full uniform daily. This includes the appropriate polo shirt with logo, navy bottoms with a black/brown belt, and **SOLID black or brown** shoes. Verbal warnings will be issued this week, and additional disciplinary actions will follow if multiple infractions occur. Thank you for supporting our school guidelines and please communicate with us if there are any issues with the uniforms.

The Solar Eclipse is coming Aug 21st. The science department will discuss the solar the eclipse during the instructional hours. Students can be absent, or dismissed early at 12:30 pm without penalty if parents would like to participate in the eclipse at home. Attached you will find safety resources to use as a precaution when driving or outdoors during the time of the eclipse. The event will be over by the time we have our regular dismissal at 3:10 pm. Please check out the www.fultonschools.org website for additional information. We will have small groups of 6th grade students go outside with protective eyewear during the eclipse to strengthen his/her life science curriculum. in order to participate, they must have a parent consent form to participate.

Educationally,

Mrs. Marcia Lowe Strong
