"The mission of Hapeville Charter Middle School is to prepare each student, within a safe and caring learning environment, for successful transition to high school."

July 23, 2018

Greetings Hapeville Charter Middle School Community,

It is with great pleasure that I introduce myself as the new principal of Hapeville Charter Middle School. Over the past 19 years, I have worked as a teacher, instructional coach, school administrator, and district administrator. In each of my roles, I have sought to ensure the success of each student and the school by providing the best instructional opportunities and student supports possible. In the coming school year, I will spend a lot of time with HCMS students, getting to know their personalities and learning goals as well as celebrating their successes, both small and large. I will encourage them and let them know they are valued and have a special place in our school community.

As principal, my mission resonates with that of the mission for Hapeville Charter Middle School which is to prepare each student in a safe and caring learning environment for successful transition to high school. In helping students navigate through this middle school transition, I along with the HCMS Faculty and Staff will provide a well-rounded education that yields instruction from top-notch teachers, as well as extracurricular opportunities and supports that enable students to develop character, cultivate passions, and explore the world around them. I am committed to ensuring that students' needs and interests help shape instruction and extracurricular opportunities. Through this shared commitment to learning, I will ensure that students are engaged in authentic learning experiences every day in every classroom.

Once again, I am so thankful to have the opportunity to bring all that I have experienced and learned with me to the wonderful Hapeville Charter Middle School community. I will be working between both campuses to ensure a smooth transition and opening on Day 1, August 6th, 2018. We will have Open House Thursday, August 2nd from 10:00am – 12:00pm for 8th grade at the 8th Grade Campus and from 1:00pm – 3:00pm for 6th and 7th grades at the Main Campus. See you soon.

Sincerely,

Audrey Greer
