Title I Rewards School Designation

To reward successful schools and school districts for significant progress in improving student achievement and/or significant progress in closing the achievement gap, the Georgia Department of Education (Department) honors K–12 Title I schools and school districts for significant progress in improving student achievement and/or making significant progress in closing the achievement gap. The Title I Achievement Awards program recognizes and honors three categories of schools: Title I Distinguished Schools, Title I Reward Schools, and National Title I Distinguished Schools.

As a result of our hard work last school year, **HCMS has been designated as a Title I Rewards School!!!!** A Title I Reward School is a Title I school among the 10-percent of Title I schools in the state that is making the most progress in improving the performance of the all-students group over the most recent two years on the statewide assessments.

We are HCMS...where we are Teaching and Learning at the Next Level!
