Happy New Year HCMS Parents!!!

As you know the spring semester has begun for all students at HCMS. The fall semester report card will be mailed home at the end of the week, Jan 15, and sent home with students. The GA Milestones end of grade assessment from 2014-15 is available for returning students and parents. Please come by the campus to pick up your copy of the results. This test has great information to help you work with your student on skills needed to perform well in middle grades. 6th grade results will need to be picked up from the 5th grade school campus as they were not delivered to HCMS.

Also, as we are preparing for the upcoming end of grade assessments in April, please make sure you take advantage of our new small group FLP math class. This class will be offered each quarter on a first come first serve basis for students now during the day and after school. If you are interested, you will need to send the application to the school to enroll. Spaces are limited and going fast.

We look forward to working with your students on academic excellence, and hope you will support our endeavors. Please remind your child to be prepared for class and continuously work on skills at home. Part of this is also making sure your child comes to school in proper uniform attire daily. This includes **solid black** shoes, brown suede Nubuck, or brown Sperry shoes, as well as the proper uniform shirt and navy bottoms. Thank you for your support, and we look forward to preparing your child for the next level of his/her academic career.

Educationally,

Ms. Marcia Lowe
Principal of HCMS
